FOR IMMEDIATE RELEASE

I-5 TO CLOSE BRIEFLY AT TEMPLIN HIGHWAY

LOS ANGELES –The California Department of Transportation will close southbound I-5 at Templin Highway for between 30 minutes and an hour late tonight/early tomorrow morning. The closure will be timed to coincide with the lowest traffic volumes so as to minimize impacts to motorists.

The purpose of the closure is to enable workers to re-stripe the highway in preparation for opening three lanes in each direction tomorrow morning.
